

# Invest in Excellence...

## A RADNOR EDUCATION MATTERS

### The Time to Give is Now!

*Significant budget shortfalls for public education exist.  
Public schools must supplement their budgets with donations as private schools have traditionally done.*

**REF can meet this challenge and is ready to help.**

Radnor Educational Foundation supplements the traditional Radnor education through grants for special curricular programs and needs.

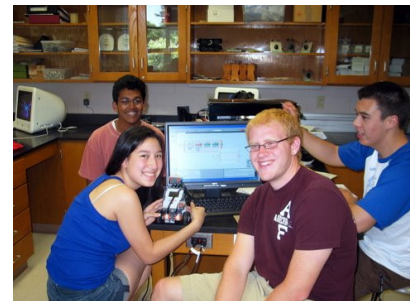

**Maintaining academic excellence keeps high property values and a strong, vibrant community.**
