Thriving in Difficult Economic Times

School districts across the nation are faced with declining budgets. Education foundations are the financial resource and glue that keep curriculum programs in place.

How Can I Help?

In order to sustain our grants program for the 2009-10 school year, REF asks all members of the Radnor community to continue their financial support by “Investing in Excellence.” Please consider making a tax-deductible contribution today to support academic excellence in Radnor schools.

REF Mission

Radnor Educational Foundation’s mission is to secure and provide funding and support to enrich the educational experience, maintain academic excellence and encourage innovative opportunities for the students of the Radnor Township School District.
