2. Imagine the Impact
3. Smart Board for RMS
4. Grant Proposals Requested
5. Radnor Robotics Team
6. Radnor Alumni Council

REF thanks our gracious 2010 co-chairs, Patti Pressman, Candyce Wilson and Renee Melvin.

The Radnor Robotics Team Wins Excellence Award.

Congratulations to the RHS Robotics Team and team teacher Ken Delaney, for receiving the Excellence Award, the highest award presented in the VEX Robotics Competition. This award qualifies the team to compete at the VEX Robotics World Championships in Dallas, Texas in April. Team members include, Justin Yim, Max Doherty, Alisa Li, Scott Pritchard, Vimesh Tambi, Dylan Carney, Emily Goldberg, Megan Doherty,

REF Welcomes the Arrival of Spring!

This e-newsletter is our way of keeping you informed about the educational programming that the Radnor Educational Foundation provides to all Radnor students. Think Spring and warmer weather!

REF Raises Hearts of Gold at Valentines 'n' Vegas Casino Night

Thank you to all of the businesses, local corporations, parents, community members, and RTSD teachers and staff for their generosity and support of the **Valentines 'n' Vegas Casino Night** to benefit the **Radnor Educational**

Foundation.

More than \$35,000 was raised at the gaming event despite a major snowstorm on February 5 at The Radnor Hotel, with attendance by more than 200 Radnor residents.

Your generosity enables the foundation to support innovative educational programming and technology initiatives for all Radnor students. Thank you for your **Investment in Excellence** and commitment in becoming a **Partner for Education.**

We're 1/3 of the way there. Help us go all the way.

Imagine the Impact if 100% of Radnor families participated with a gift to REF.

Dan McCone, Kevin Yim, and Alex Wadell. The team is supported by a grant from CENTOCOR.

Grant Proposals Requested from Teachers and the Community.

REF announces requests for proposals from teachers and the community. Proposals are accepted for programs that enhance and advance curriculum. Please note that we are not accepting specific requests for technology. REF plans to grant RTSD a lump-sum amount to support technology needs in our buildings.

Letter of Inquiry due immediately;
Proposals due: 3/30/10, Grant meeting date: 4/21/10

Grant criteria and guidelines are available online.

www.radnoreducationalfoundation.org

The Foundation will be pursuing applicants for the Board of Trustees positions to fill a 3-year term. Become a Partner for Education and get involved. Please call Joy Antonoplos at 610-688-8100 x 6036 if interested in serving on the board or a committee.

Radnor Educational Foundation
135 South Wayne Avenue
Wayne, PA 19087
Phone: 610-688-8100 x 6036
Fax: 610-971-0742

The foundation continues its fundraising efforts this year to create awareness of the ongoing need for interactive technology in all of our schools. To date, over \$20,000 has been raised to support the technology initiative and the grant program offered to teachers and the community. An appeal was sent to all Radnor families in the fall. Every child deserves access to 21st century technology to succeed in a global economy. Make a gift today. Every contribution counts. For more information on educational technology and to donate online: <http://www.radnoreducationalfoundation.org>

REF pledges to use your gift to support our grant programs and help bring interactive technology to all classrooms.

Radnor Alumni...Reconnect With Your Past!

REF is assisting the Radnor Alumni Council to launch a new website page: www.rtsd.org/radnor alumni. As Radnor alumni you are part of a unique and special group. Sign up to reach out to your friends and former classmates and receive important news about Radnor. The web site features current information about reunions as well as past and present Radnor happenings. An alumni link for getting involved with Radnor now and connecting with friends from Radnor past, the site is also a source for business networking, soliciting Hall of Fame nominees, as well as displaying and preserving archival information.

RMS Room 311 receives a Smart Board with grant funding from The Hamilton Family Foundation.

Room 311 in Radnor Middle School is the proud new owner of a smart board with funding received from REF and The Hamilton Family Foundation. Reading Specialist, Nicole Settani and Literacy Coach, Renee Finley are the fine teachers that will reach and engage students who require extra support for reading. The smart board will also be used for staff development for teachers.
