September 16 7 pm

RTSD Front Porch

In 1994, 18 Radnor families generously supported the start of the Radnor Educational Foundation. A plaque dedication ceremony commemorating their support and our 15 year milestone of enriching the lives of all Radnor students will take place on September 16 at 7 pm on the porch of the administration building. Attendees will tour the new Radnor Middle School and experience first-hand the uses of interactive whiteboard technology.

INVEST IN EXCELLENCE

JOIN THE RADNOR CHALLENGE

MAKE A CONTRIBUTION

Improving the quality of educational technology in Radnor schools is an ongoing challenge and opportunity.

Did you know?

** Less than 20% of our classrooms have state of the art technology.

** Many top schools in the area such as Lower Merion are building new schools equipped with 21st century technology in each classroom. **OUR STUDENTS ARE AT A DISADVANTAGE.** Interactive technology and laptops are absent from most Radnor classrooms.

Invest in Excellence in Radnor schools with a **tax-deductible contribution** to REF. REF hopes to use your gift to fill the technology gap in our schools. Look for our appeal letter in the mail this fall.

Radnor Alumni Council Launches new website

What is the Radnor Alumni Council? This newly formed council is a collaboration of groups and individuals who have a vested interest in preserving Radnor past and impacting Radnor future. The Council consists of Radnor student alumni, past and present teachers and administrators, school board members, Radnor parents, and friends of Radnor. Many of these groups and individuals have spent years reaching out to alumni in various ways creating a network of alumni who have made outstanding contributions to Radnor. The goal of the Council is to gather these groups together and create a common point of access for all Radnor alumni and serve as a conduit for information to alumni about all things Radnor.

REF awarded a grant to establish a new website so that all Radnor alumni may communicate with each other. The site is currently under construction and will link Radnor alumni to their past creating a connection to the future. The web site features current information about reunions as well as past and present Radnor happenings. An alumni link for getting involved with Radnor now and connecting with friends from Radnor past, the site is also a source for business networking, soliciting Hall of Fame nominees, as well as displaying and preserving archival information.
